# PERFECT WITNESS

The Perfect Victim.

THE HBO  
ORIGINAL  
MOVIE  
FOR OCTOBER

A compelling drama about justice and duty. An average guy (Aidan Quinn) witnesses a brutal mob murder. He becomes the only eyewitness willing to testify, but in doing so, he endangers the lives of his wife, his son — and himself. Brian Dennehy (*Best Seller*) plays the high-powered attorney who will do anything — including putting his witness in jail — to assure getting his testimony. With Stockard Channing as Dennehy's feisty assistant and girlfriend. (ALV) 1.43. October 28, 31 

BRIAN DENNEHY AIDAN QUINN

Here it is — the five-time Oscar®-nominated 1988 film of the woman who gave her life for the gorillas she loved. Sigourney Weaver (nominated for Best Actress) stars in this true story as Dian Fossey, the passionate and self-assured adventurer who fights to save the African mountain gorillas from extinction at the hands of poachers. With Bryon Brown (FX). (AS,ALV) PG-13; 2:09. Oct. 1, 4, 7, 10, 16, 19
